BHAVARAJU ANURAAG

Email: e1583176@u.nus.edu Mobile: +65 9123 5639

EDUCATION

National University of Singapore **Aug 2025 – Aug 2026**
- M.Tech in Enterprise Business Analytics

Indian School of Business **Aug 2020 – Aug 2022**
- Advanced Management Programme in Business Analytics

Vellore Institute of Technology **Jul 2014 – Apr 2018**
- B.Tech in Electronics and Communication

SKILLS

Analytics	: Python, SQL, R, PySpark, PowerBI, Tableau
Machine Learning	: Scikit-learn, Keras, PyTorch, OpenCV
Generative AI	: LLMs, RAG, Agentic AI
Cloud Technologies	: Google Cloud Platform, Microsoft Azure

WORK EXPERIENCE

Lead Machine Learning Engineer (Associate Manager) **Mar 2020 – Aug 2025**
Tredence Inc., Bengaluru, India
- Spearheaded research and innovation with emerging AI technologies by building reusable capabilities, collaborating with product teams to architect state-of-the-art AI solutions and enabling delivery teams accelerate execution
- Led the Data Science pod in developing Tredence's enterprise Knowledge Management System, leveraging Agentic AI frameworks to architect a multi-modal Retrieval-Augmented Generation (RAG) solution enabling contextual search, and knowledge retrieval at scale Link
- Designed and built a fully autonomous Artificial Data Modeller leveraging latest advancements in LLMs, Multi-Component Prompting (MCP), to deliver a robust, intelligent, scalable assistant for Data Modellers and Data Engineers
- Led a team of Data Scientists at Customer Cosmos, a customer 360 delivery accelerator that drives end-to-end customer data experiences. Optimized over 3B dollars in marketing spend, re-engaged over 25M at-risk customers across multiple clients Link

Research Associate/Intern **Jul 2024 – Dec 2024**
Indian Institute of Technology, Delhi, India
- Worked as a research intern on Hyperbolic Graph Machine Learning, Privacy-Preserving Distributed Graph Learning at Machine Intelligence Signal And Network (MISN Lab), IIT Delhi

Project Engineer **Aug 2018 – Feb 2021**
Wipro Technologies, Chennai, India
- Developed and maintained a robust automation suite covering complex calculations, workflows

RESEARCH EXPERIENCE

International Conference on Data Analytics for Business and Industry, Oct 2023 Link
Co-authored 'Talk to your data: Enhancing Business Intelligence and Inventory Management with LLM-Driven Semantic Parsing and Text-to-SQL for Database Querying'

International Conference on Computational Intelligence in Pattern Recognition, Mar 2024 Link
Authored 'Towards Accurate Chest X-ray Disease Detection: A Comparative Study of CNN architectures and Image Transformation Approaches, with Emphasis on CLAHE'

IEEE IATMSI, March 2024 Link
Co-authored 'A 3-Step Framework for Improved Imbalanced Binary Classification Through Data Generation Algorithms'

ACADEMIC PROJECTS

Using multiple facets of Health, Engagement etc. to estimate Occupational Burnout Link
Won 'Best Capstone Award' working with Peak Health Technologies, a health-care startup to utilise vocal bio-markers, textual feedback data to cluster employees using NLP techniques and statistical models like factor analysis to map them onto different axes to estimate occupational burnout

Spectrogram and Wavelet Analysis for Pattern Recognition
Wavelets, Spectrograms, etc. are generated and analysed for different audio files, and neural networks are trained for pattern recognition tasks

Energy Detection for Spectrum Sensing using GLRT Algorithm
A low-complexity energy detector is designed based on the Generalised Likelihood Ratio Test (GLRT) algorithm to accurately detect incoming presence of primary users in cognitive radio networks

AWARDS AND RECOGNITION

- Luminous Award - Best Recruit issued by Wipro Technologies; Dec, 2019
- Best Capstone Project issued by Indian School of Business; Jan, 2023
- Winner - Best Innovation issued by MIT Hacking Medicine; Jan, 2024

ORGANISATIONS

- Organiser and Advisor at TEDxVITVellore
- Ed-Support Teacher and Mentor at Make-A-Difference
- Competent Communication, Competent Leader and Advanced Leadership Bronze at Toastmasters International
